(909) 289-8827 Cell

US ROUTE 395 REOPENS TO PASSENGER VEHICLES

San Bernardino County - The California Department of Transportation (Caltrans) advises that U.S. Route 395 in Adelanto to SR-14 is closed to high profile vehicles due to high wind and low visibility conditions. Passenger vehicles will be permitted on the route as long as conditions allow.

Detour: Motorists can use SR-18 or SR-138 west toward Palmdale. From there, motorists can access the SR-14 north to I-5.

Caltrans and the California Highway Patrol will continue to monitor conditions and notify the public as changes occur. A wind advisory is in effect for San Bernardino and Riverside Counties. Blowing debris and dust can be dangerous. Please drive slowly and cautiously.
